The image displays a mobile application interface for an Admin Dashboard. At the top, a status bar shows the time 5:50, signal strength, and battery level at 55%. The dashboard header is titled "Admin Dashboard" with a share icon on the right. Below the header, a white card displays quiz statistics for "Flutter" and "java". The "Flutter" section shows "1 quiz" and a "50.0%" completion rate. The "java" section shows "0 quizzes" and a "0.0%" completion rate. Below this, another white card titled "Recent Activity" with a clock icon lists two items: "Basic of Dart" created on 5/10/2025 and "Basic of Flutter" created on 3/10/2025. Each item has a purple icon with a question mark. At the bottom, a white card titled "Quizzes Action" with a pencil icon contains two buttons: "Manage Quizzes" and "Manage Category", each with a purple icon (a question mark and a triangle respectively).
